CHAPTER V

CONCLUSIONS AND SUGESTIONS

A. Conclusions

Based on the findings as described in chapter IV, research on the effect of Podcasts media on students' speaking ability at Junior High School 2 Kampar Kiri Tengah has completely discussed. It is necessary for the researcher to draft the conclusions as follows:

1. The students' ability in speaking before being taught by using Podcasts media is categorized into Poor level.
2. The students' speaking ability after being taught by using Podcast media is categorized into Good level.
3. The investigation of significant difference of students' speaking ability before and after being taught by using Podcast media at junior high school 2 kampar kiri tengah shows the analysis of T-Test formula where t_o is higher than T_t either in significance level $5\% = 2.09$ or in significance level of $1\% = 2.87$. So the researcher found that $2.09 < 8.88 > 2.87$. It means that there is significant difference between students' speaking ability before and after being taught by using Podcasts media at Junior High School 2 Kampar Kiri Tengah.
